

Myself and the World Around Me

Social, Spiritual, Moral and Cultural Learning

We respect each other's

Race, religion, gender identity, age, disabilities, sexuality and gender

There are no outsiders here.

Wallscourt Farm Academy
One Learning Community

Wallscourt Farm Academy is a school that promotes and celebrates diversity. The school has purchased a range of books which feature different families and explore similarities and differences. These have been introduced through whole school Gatherings and learning in home zones.

The school is now using the Jigsaw materials as a whole school. This ensures consistency in our approach to learning in this area.

The themes for the year are:

- Being me in my world
- Celebrating difference
- Dreams and goals
- Healthy me
- Relationships
- Changing me

These are Persona dolls.

Each doll has a Biography and a bag with objects and artefacts that help the children to find out more about them. For example, the children met the doll Dhao in Gathering who brought Chinese artefacts and books about Chinese New year.

A stereotype is like when people think boys shouldn't do ballet and girls can.

Mindful Moments

Each day after being outside, the children practise mindfulness and moments of calm. This is an important part of the learning schedule in every Learning Zone.
