11<sup>th</sup> March 2019

Dear Families,

We hope that your child has been enjoying learning to play the guitar / brass instrument so far this year and we look forward to showcasing these skills with you again in the near future.

Brass / guitar lessons will continue after Easter and we hope that your child chooses to continue their musical journey. Learning to play a musical instrument requires perseverance and we hope you have seen some progress in their playing skills. The tutors at Bristol Plays Music have been very complimentary of the progress made by our pupils. Please note that your child is still in the very early stages of their musical journey, in which progress can seem a little slow and we would therefore encourage you to continue supporting them with this opportunity. However, if you feel this may not be your child's forte and you wish for them to no longer learn an instrument, please complete the reply slip below. If you do not contact school expressing your wish for your child to no longer continue with lessons by **Monday 18<sup>th</sup> March**, we will assume they wish to continue and you will be charged for these lessons.

We have been fortunate enough to be supported by Bristol Plays Music who have agreed to continue to provide free instrumental hire for our brass players. For guitars, instrumental hire will continue to be available for a fee of £20 for the remainder of the academic year.

Lessons will continue to be charged at £5 per lesson. They will be billed in advance in blocks of 11 weeks, every two terms so the charge from April – July will be £55. This second 11 week payment will be required at the end of May. Regrettably, each 11 week block is non-refundable should your child decide not to continue part way through the term.

**Unfortunately we are not able to rearrange lessons or refund missed lessons if your child is away through illness or a school visit.**

If you have any questions about these lessons please do not hesitate to contact Mrs. Rea

Best wishes,
